Pir-ü Pak Hammam Experience: Purify, Refresh and Rejuvenate

Step into the timeless world of the Turkish hammam at Hürrem Sultan Hamamı and experience a traditional ritual centered around cleansing, relaxation, and renewal. Pir-ü Pak, meaning completely clean, spotless, and at peace, captures the essence of this 45-minute Turkish bath and spa experience.

Begin by relaxing in the warm, steamy hammam atmosphere before enjoying a traditional kese body scrub. The scrub helps exfoliate and cleanse the skin, followed by a soothing head and neck massage to help release tension. Your ritual then continues with a full-body and hair wash, leaving you feeling refreshed from head to toe.

Throughout the experience, you'll be cared for by expert massage therapists. The hammam has separate sections for men and women, with gender-matched therapists providing your treatments for a comfortable and private experience.

Bathroom essentials are provided, so you can focus entirely on relaxing and enjoying the ritual. To complete your visit, enjoy Ottoman sherbet, a traditional refreshment that adds an authentic touch to your hammam experience.

Blending centuries-old Turkish bathing traditions with an Ottoman-inspired setting, Pir-ü Pak offers a focused 45-minute escape for cleansing, relaxation, and rejuvenation.
