# A visitor's guide to Genting Highlands

Perched 1,800 meters above sea level, Genting Highlands (also known as Resorts World Genting) is Malaysia's famous hilltop playground. Just an hour away from Kuala Lumpur, it's a cool escape from the city heat, blending casinos, theme parks, luxury shopping, temples, and misty rainforest views into one destination.

# How to reach Genting Highlands from Kuala Lumpur

## By Bus + Cable Car

(Most popular & budget-friendly)

Take the Go Genting Express Bus from major bus terminals in KL. The bus takes you to Awana Bus Terminal at the base of the hill.

From there, take the scenic Awana Skyway cable car directly to the resort's peak.

## By Car, Taxi, or Ride-Hailing

(More expensive)

The drive takes approximately 1 hour.

Taxis and ride-sharing services are readily available but are more expensive.

# The Awana Skyway Cable Car

The Awana Skyway is more than just transport—it's an attraction in itself. Gondolas glide above lush rainforest canopies with panoramic valley views.
