

Keeper Talk at Singapore Zoo

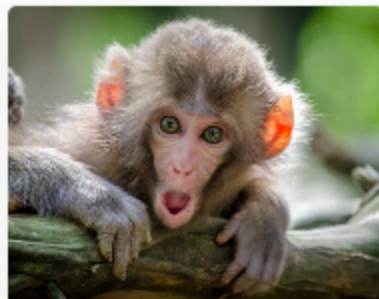

Elephant Keepers' Chit-chat

- **Time:** 10:30am
- **Location:** Elephants of Asia (Elephant Presentation Area)
- **What to expect:** Watch Asian elephants respond to their keepers' cues and learn about their care routines, training methods, and conservation efforts.

Orangutan Keeper Talk

- **Time:** 11am
- **Location:** Free-Ranging Orangutan Island
- **What to expect:** Get to know the Zoo's iconic orangutans and hear how keepers care for these intelligent apes.

Primate Kingdom Keeper Talk

- **Time:** 11am
- **Location:** Starts at Black-and-Gold Howler Monkey
- **What to expect:** Join a walk-through talk covering multiple primates. Learn how keepers manage diverse species with unique social needs.

Lion Keeper Talk

- **Time:** 1:10pm
- **Location:** Wild Africa
- **What to expect:** Watch the pride in action and hear about their diet, enrichment, and social dynamics.

Gibbon Island Keeper Talk

- **Time:** 1:30pm
- **Location:** Gibbon Island
- **What to expect:** Discover how keepers care for these agile and vocal primates, from daily routines to their family bonds.

White Rhinoceros Keeper Talk

- **Time:** 1:35pm
- **Location:** Wild Africa
- **What to expect:** Observe these gentle giants up close and learn how enrichment and training support their health and wellbeing.

Fragile Forest Lemur Feeding

- **Time:** 2:15pm
- **Location:** Fragile Forest
- **What to expect:** Enter a biodome with free-ranging lemurs. Keepers guide you through feeding time and share conservation stories.

Pygmy Hippo Keeper Talk

- **Time:** 2:30pm
- **Location:** Pygmy Hippo Exhibit
- **What to expect:** Learn how keepers care for these shy, solitary hippos and what sets them apart from their larger cousins.

Hamadryas Baboon Keeper Talk

- **Time:** 3:30pm
- **Location:** Great Rift Valley of Ethiopia
- **What to expect:** With over 90 baboons, this talk dives into their complex social lives and how keepers manage such a large troop.

Fossa Keeper Talk

- **Time:** 3:30pm
- **Location:** Fossa Exhibit
- **What to expect:** Meet Madagascar's elusive top predator and discover how keepers care for this rare, cat-like carnivore.

Celebes Crested Macaque Keeper Talk

- **Time:** 4:15pm
- **Location:** SPH Foundation Conservation Centre
- **What to expect:** These charismatic macaques are full of personality—learn about their group dynamics and the zoo's conservation efforts.

Chimpanzee Keeper Talk

- **Time:** 4:35pm
- **Location:** Chimpanzee Exhibit
- **What to expect:** End your zoo visit with a session on our closest animal relatives—discover their intelligence, personalities, and how the keepers care for them.
