SERVICES & PARK INFORMATION

QUEUEING ETIQUETTES

– Please ensure all the members of your group queue together. Cutting in line and queuing on behalf of others is not permitted. If you need to temporarily leave the line, please ask the other guests in the line for their understanding prior to leaving. Line jumping is not allowed and may result in removal from premises.

PLAY SAFE AND HAVE FUN

– As a general rule, loose articles (cameras, video cameras, selfie sticks, mobile phones, loose outfit, personal belongings, etc.) are not permitted to be taken on attractions and must be properly stored or left with a non-rider. In accordance with each ride and attraction's safety precautions, LEGOLAND® Korea Resort is not responsible for the loss or damage of restricted items.

While there are many "hands-on" activities at the Resort, some attractions, such as Miniland, are for viewing enjoyment only. Children aged 13 or above can enter the Park without a guardian. Children aged 12 or under must be accompanied by a guardian aged 16 or above (who can understand the ride safety rules and procedures and can help other guests follow the guidelines).

Ride and attraction participation requirements are determined by the ride dynamics, the restraint system used, and recommendations made by the manufacturer. Ride and attraction information and restrictions (such as height, health conditions, size, etc.) are posted at each location.

Do not sit or play on railings or chains. For your safety absolutely no running.

Glass is not allowed in the Resort. For more details, please see the notices posted at each attraction.

ACCESSIBILITY

– LEGOLAND® Korea Resort is committed to providing a welcoming, inclusive, and accessible experience for all guests. Most attractions, rides, and shows are accessible through the entrance for manual wheelchairs and other mobility devices. Use of wheelchairs on the rides may be limited according to each ride's safety rules and procedures.

Detailed health requirements are posted at each ride or attraction. A separate "Accessibility Guide" is available at Guest Services, which provides more information on wheelchair accessible facilities, rides, and areas in the Park.

For convenient use of the Park, wheelchairs are permitted for disabled guests. Manual wheelchairs are also available for rent (paid service) at Stroller Rental center. For safety of all guests, no other wheeled (motorized or non-motorized) personal transportation devices are allowed at the Resort.

SERVICE ANIMALS

– Service animals are welcome in most locations throughout the Park (gift shops, restaurants and theaters) and can accompany a guest via the standard queue up to the loading point. However due to safety restrictions, service animals are not allowed to accompany a guest on a ride. Service animals must always be on a leash. Service animals may not be handled by or left with other guests or Model Citizens.

RECYCLING

– We are committed to protecting the environment. We ask for your assistance by disposing of your aluminum cans, plastic bottles and Park maps in the recycling containers located throughout the Resort.

FOR YOUR SAFETY

– Video surveillance cameras are in use at various locations around the Resort. In order to maintain our family atmosphere, we request that there be no offensive language or behavior.

For everyone's safety, other than permitted wheelchairs and baby strollers, other wheeled (motorized or non-motorized) personal transportation devices (segways, kickboards, roller blades, wheeled shoes, and skateboards) are prohibited.

Park Rangers patrol all areas of the Resort and are more than happy to help or advise.

LEGOLAND® Korea Resort is not responsible for any lost or stolen items. In the event of inappropriate conduct, you may be asked to leave the premises. This includes but is not limited to, allowing or assisting a third party to attempt to gain unauthorized or improper access to any attraction or any unauthorized resale of Annual Passes, tickets, complimentary tickets or coupons. No refund or compensation will be given in such circumstances. Full terms and conditions are posted on LEGOLAND.kr.

MAKE YOUR VISIT MORE MEMORABLE
