Vinpearl Safari
The largest wildlife care and conservation park in Vietnam
With a huge area of 380 hectares and 4,000 wild animals representing 200 species, Vinpearl Safari has become one of the leading destinations in Vietnam where tourists can explore and experience close-to-nature activities as well as gain more animal knowledge and show their admiration for the animals. Let's start the amazing journey in Vinpearl Safari with us!

Open zoo

Elephants
The Elephant is considered as the cultural symbol of many Asian communities. Here in Vinpearl Safari, visitors will get a chance to get close to these friends.

Primates
When coming to Vinpearl Safari, visitors will have the chance to observe and learn the habits and behavior of several primates.

Safari park

White rhinoceros
Rhinos are second largest herbivorous mammals weighing up to 3500 kg and threatened with extinction by illegal poaching for their horns.

Bengal tiger
Tigers live mostly in the forests of Asia and are considered as a sacred symbol of strength and mystery of the jungle.

Giraffe
With gentle and friendly nature, Giraffes are always interesting and fascinating. When visiting Vinpearl Safari, guests, especially the little fellows; do not miss the exciting opportunity to get acquainted and have direct contact with these cute friends.

Antelope

With 15 species of antelopes characteristic of wild Africa and kept in large herds compared to other zoos in Vietnam, Vinpearl Safari offers guests a chance to admire the rare antelope species such as Greater Kudu, Arabian Oryx, Klipspringer, Nyala and Blue Wildebeest.

Flamingo
Greater Flamingo is a precious and beautiful bird of the Flamingo family, usually live in groups at the large lake with favorite food is the algae. The picture of large flamingo flock standing on lakeside creates a poetic scene; this will surely be a favorite destination of visitors.

Vinpearl Safari Map

Open daily from 9:00 am - 4:00 pm

NOTICE

- Don't bring into Vinpearl Safari: weapons, flammable or explosive substances, other animals, food & beverage bicycles, skateboards, roller-skaters, sound devices... that can affect the animals.
 - Respect the lives of animals. Don't throw objects into animal enclosures, annoy or tease the animals in any circumstances.
 - Don't enter animal enclosures and internal/staff areas; or go through the forest. Don't feed the animals, except at designated areas, with the guidance of staff and food provided by the park.
 - Keep a safe distance away from security fences. Don't climb or let children sit on trees and fences. Don't damage flower gardens, trees and items for decoration and display.
 - Filming and photographing for commercial purposes in the park must be approved by the park management board.
 - Vinpearl Safari might take pictures of guests for marketing materials.
