How to book a time slot using virtual VQ?

- The Virtual Queue lets you reserve ride time slots on the Genting SkyWorlds app — no waiting in long lines!
- Download the free Genting SkyWorlds mobile app via App Store, Google Play or AppGallery.
- Sign up or log in to the app.
- If you have not signed up, create your Profile and link your entrance tickets by scanning the QR code on your tickets.
- To experience attractions together with friends using the same VQ reservations, create a Group Profile by linking your group members' park tickets. Please ensure that everyone in your group is present at the selected attraction at the stated time.
- Select the attractions or shows that you want to reserve and the time slots that you prefer.
- Confirm your VQ reservations.
- When in the park, head to the designated VQ Entrance at the selected attraction at the stated return time. To verify your VQ reservation, scan the QR code located in the "My VQ Reservations" section in the app or the QR code on your printed VQ reservation pass.
- Join the VQ Entrance and enjoy!
